CELEBRITY WAITER DINNER FUNDRAISER EVENT

Temporary Emergency Services is a 501(c) (3) nonprofit organization dedicated to helping individuals and families in crisis situations. "TES" is a United Way of West Alabama service agency and has served Tuscaloosa County since 1945. TES relies on donations from the local community to provide food, clothing, household items and other basic necessities for those in dire need, so that they can survive and get back on their feet.

TES is doing all it can to provide help to this community. But there has been a tremendous increase in the number of individuals and families who are suffering and desperately need our help. This community is relying on TES for urgent help. Unfortunately, resources are limited and TES is now in need of urgent help, just like the many families it serves.

TES will host the 13th Annual **Celebrity Waiter Fundraiser Event**. This dinner, at The Tuscaloosa River Market enlists local "celebrities" to serve as waiters and help draw attention to TES and the service it provides. Guests enjoy a catered dinner served by celebrities in exchange for tips. Guests may also participate in a live auction featuring a large collection of items donated by area businesses and local residents. Proceeds from the auction and tips from the dinner allow TES to help this community in many ways. Those donations may feed a mother and her hungry children, provide blankets and heaters to a family in the winter, or help pay for medicine to treat a sick child.

In past years the event has raised over \$25,000. The goal for this year is more because the needs in this community are more. With your participation, TES hopes to raise \$40,000 this year. Please consider becoming a sponsor of this great event. Details concerning sponsorship are enclosed. This community needs you.

If you need additional information or have any questions, please contact the office.

Sincere Thanks,

Karen Thompson
